NOON:

★ **Rally in Room 50**

During the last two legislative sessions, **NAMI Oregon** and our valued partners have fought for—and won—significant restorations of mental health budget cuts, suspension (rather than termination) of benefits for those who are incarcerated, and mental health and substance abuse parity legislation.

This session, NAMI Oregon would like you to **join us at the State Capitol in Salem to advocate for a transformed community system of care** that reduces criminalization and reliance on institutional care by promoting resilience, recovery, and a fulfilling life in the community for everyone.

**For questions, please contact NAMI Oregon at (503) 230-8009 or namivolunteer@quest.net.
Thank You!**

NAMI Oregon is a grassroots organization dedicated to facilitating recovery and transforming care for persons with mental illness and their families through mutual support, education, and advocacy
